WRITTEN DESCRIPTION

This station consists of an O.S. trig pillar. A raw/plug heighting bolt is set on the south ledge of the base. The pillar is set on top of a large mound at the moat of Granard that is approx. 100mts south west of St. Mary's R.C. church at Granard town. A prominent statue of St. Patrick is set adjacent to the pillar.

Note: All measurements shown are in metres. Sketch is not to scale.
