

National Mapping Content Strategy

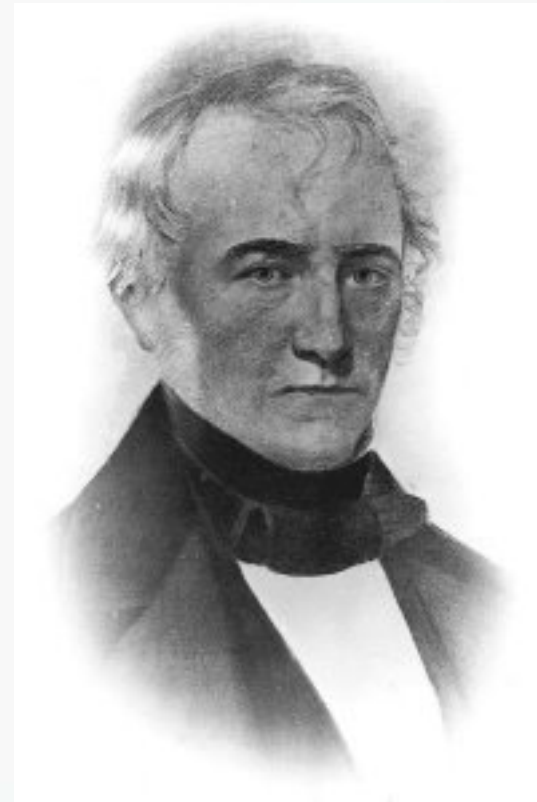

NMA workshops

INSTRUCTIONS
FOR THE
INTERIOR SURVEY
OF
IRELAND

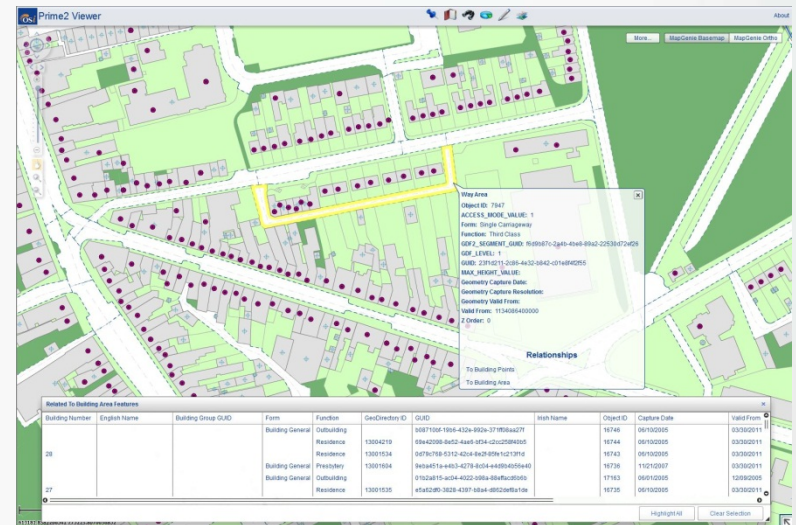

Lithographed at the Ordnance Survey Office
Phoenix Park,
Dublin.

1825.

Next generation National Core Reference Data

- Seamless, scale-independent, Object model
- Rigorously based on industry standards
 - OGC Simple Feature Model, ISO19115, GDF Roads, ISO CityGML Level 2, GML & OGC compliant web services
- Links objects using persistent ID's (GUID's)
- Uses 'Form' & 'Function' classification
- Builds relationships – buildings / way
- Full Network Connectivity – roads & water
- Capability to store & manage 3D spatial information

Location Framework for Ireland

What we would like you to do

We are embarking on a program of
New Data Capture and Attribution

And what you need is important to us

Thank You
